TRAVEL SHOW | Creative Center - Quilts and Other Notions Monday, October 19, 2015 | 3:00 PM and 6:30 PM

I'm very excited to be offering two major upcoming Silver Circle trips for 2016 which will be featured at this time. The first will be **ICELAND** and this trip is scheduled for June 2016. The trip will begin via motor coach to Minneapolis and then continue with a six hour flight to the wonderful island of Iceland! Upon arrival, we will board a small ship and circle the island of fire and ice. Each day finds us in a new port which allows us a unique range of exciting shore excursions. Come hear about this amazing destination that has many people excited to join us on this journey. The second presentation will be on **NATIONAL PARKS**. This trip will be early September 2016 and will be entirely on motor coach. It begins at Mt. Rushmore and continues to include Yellowstone, Grand Teton, Bryce Canyon, Zion National Park and the Grand Canyon. There are numerous other attractions that are included in this trip, making it one you won't want to miss. The National Parks will be celebrating 150 years in 2016; there will no doubt be many other special events that we are not aware of at this time. There will be two showings of this travel show, the first at 3:00 PM and the second at 6:30 PM. You will be able to sign up for these trips with deposits at this show. Reservations are appreciated, but not required. Please indicate which time slot you are interested in attending.
