## TRAVEL SHOW | Creative Center - Quilts and Other Notions

Monday, August 8 | 3 P.M. and 6:30 P.M.

There are two extended Silver Circle trips being planned for 2017. They include:

**CUBA** - Now is the time for you to experience CUBA... a destination that was available to only a few Americans until 2012. Now, the borders are open and curious travelers are anxious to explore this island that is just a short flight from our southern shores. The trip begins with a flight to Miami where an overnight stay is scheduled. The next morning we'll have a short flight to Cuba and the beginning of our adventure! Don't miss seeing the travel show that will highlight the variety of memorable sites that this trip includes. The trip is limited to a small number of people, due to the modes of transportation we will be traveling in the countryside. Once the trip is filled, a standby list will be formed and any cancellations will be filled from that list. This trip is scheduled for February 2017.

**THE CAROLINAS & MORE** - The allure of the South awaits us! Some of the many sites will include Charleston, S.C., with its cobblestone streets, horse-drawn carriages and pre-Civil-War homes; Myrtle Beach, S.C., a place to stick our toes in the sandy beaches and enjoy first-class entertainment; Charlotte Motor Speedway for a peek inside the world of racing and then a stop at the NASCAR Hall of Fame; Asheville, N.C., where we revel in breathtaking beauty and visit America's largest home, Biltmore Estate; Louisville, KY to be immersed in the land of horses and bourbon; did I mention Corvettes and Quilts!! The trip is scheduled for September 2017. We will fly out and drive back. Reservations for the travel show are requested but not required. Please indicate which time slot you would like to attend. See you on August 8th!
