

# SMALL BUSINESS PAYCHECK PROTECTION PROGRAM

The Paycheck Protection Program provides small businesses with funds to pay up to 8 weeks of payroll costs including benefits. Funds can also be used to pay interest on mortgages, rent, and utilities.

## Fully Forgiven

Funds are provided in the form of loans that will be fully forgiven when used for payroll costs, interest on mortgages, rent, and utilities (due to likely high subscription, at least 75% of the forgiven amount must have been used for payroll). Loan payments will also be deferred for six months. No collateral or personal guarantees are required. Neither the government nor lenders will charge small businesses any fees.

## Must Keep Employees on the Payroll—or Rehire Quickly

Forgiveness is based on the employer maintaining or quickly rehiring employees and maintaining salary levels. Forgiveness will be reduced if full-time headcount declines, or if salaries and wages decrease.

## All Small Businesses Eligible

Small businesses with 500 or fewer employees—including nonprofits, veterans organizations, tribal concerns, self-employed individuals; sole proprietorships, and independent contractors—are eligible. Businesses with more than 500 employees are eligible in certain industries.

## When to Apply

Starting April 3, 2020, small businesses and sole proprietorships can apply. Starting April 10, 2020, independent contractors and self-employed individuals can apply. We encourage you to apply as quickly as you can because there is a funding cap.

## How to Apply

You can apply through any existing SBA 7(a) lender or through any federally insured depository institution, federally insured credit union, and Farm Credit System institution that is participating. Other regulated lenders will be available to make these loans once they are approved and enrolled in the program. You should consult with your local lender as to whether it is participating. All loans will have the same terms regardless of lender or borrower. A list of participating lenders as well as additional information and full terms can be found at [www.sba.gov](http://www.sba.gov).

**The Paycheck Protection Program is implemented by the Small Business Administration with support from the Department of the Treasury. Lenders should also visit [www.sba.gov](http://www.sba.gov) or [www.coronavirus.gov](http://www.coronavirus.gov) for more information.**

## Paycheck Protection Program Borrower Application Form

### Purpose of this form:

This form is to be completed by the authorized representative of the Applicant and *submitted to your SBA Participating Lender*. Submission of the requested information is required to make a determination regarding eligibility for financial assistance. Failure to submit the information would affect that determination.

### Instructions for completing this form:

With respect to “purpose of the loan,” payroll costs consist of compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips); payment for vacation, parental, family, medical, or sick leave; allowance for separation or dismissal; payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement; payment of state and local taxes assessed on compensation of employees; and for an independent contractor or sole proprietor, wage, commissions, income, or net earnings from self-employment or similar compensation.

For purposes of calculating “Average Monthly Payroll,” most Applicants will use the average monthly payroll for 2019, excluding costs over \$100,000 on an annualized basis for each employee. For seasonal businesses, the Applicant may elect to instead use average monthly payroll for the time period between February 15, 2019 and June 30, 2019, excluding costs over \$100,000 on an annualized basis for each employee. For new businesses, average monthly payroll may be calculated using the time period from January 1, 2020 to February 29, 2020, excluding costs over \$100,000 on an annualized basis for each employee.

If Applicant is refinancing an Economic Injury Disaster Loan (EIDL): Add the outstanding amount of an EIDL made between January 31, 2020 and April 3, 2020, less the amount of any “advance” under an EIDL COVID-19 loan, to Loan Request as indicated on the form.
